RES. ESTABLISHING COUNCIL ADOPTED RESOLUTION NO. 84-030 ESTABLISHING A PARKING HANDICAPPED STALL STALL LIMITED EXCLUSIVELY TO VEHICLES OF PHYSICALLY HANDICAPPED PERSONS ON PACIFIC AVENUE IN THE AREA OF LODI HIGH SCHOOL.

RES. NO. 84-030

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: March 16, 1984
SUBJECT: Handicap Stall, Pacific Avenue

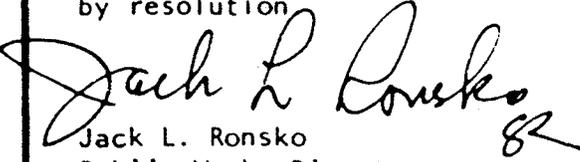

RECOMMENDED ACTION: That the City Council adopt a resolution establishing the parking stall shown on EXHIBIT A, as a stall limited exclusively to vehicles of physically handicapped persons.

BACKGROUND INFORMATION: The Lodi Unified School District has requested that the City establish the stall legally, as shown on the attached letter.

Several years ago, this stall was signed by the Lodi Unified School District and the curb painted white. Since that time, it has been primarily used as a handicap stall.

However, there has been some problem with other people using it, and in order for the Police Department to legally enforce it, it should be officially designated as such by the City Council and the curb painted blue.

It is this department's recommendation that the stall be so established by resolution

RE: Handicap Parking - Lodi High School

Dear Jack:

I have discussed the handicap parking situation at Lodi High with the Principal, Floyd Williams; at Lodi Police Department; District Administration; and Marvin. Apparently the Police Department does enforce the handicap parking stalls in front of the High School; however, the problem appears to be that the signs are not sufficiently visible. Painting the logo in the stalls and the curb blue appears to be the solution. I have discussed this with Marvin and the stalls are clearly in the right-of-way; therefore, it appears that Council action is required prior to any painting. Please accept this letter as a request for Council consideration of this matter. I believe that Marvin has a diagram of the stalls.

I believe that we may need to discuss the actual implementation of the painting and improved signing.

Thank you for considering this request, and I look forward to hearing from you.

Sincerely,

Mary Joan Starr, AICP
Facility Planner
