Lodi City Hall
Lodi, CA 95240

Dear Mr. Katnick:

National Library Week is April 5 - 11. It seems appropriate that Lodi join in this celebration. We would greatly appreciate your designating these days for Lodi as we call attention to the many services of our library and all libraries across the nation.

An open house at the library on April 11 from two to four in the afternoon will conclude the week as well as celebrating the second "birthday" of our facility. The public is invited.

Sincerely,

Mrs. Frances Welch
