PUBLIC WORKS DEPARTMENT

## COUNCIL COMMUNICATION

|               |   |                                   |                                   |
|---------------|---|-----------------------------------|-----------------------------------|
|               |   | <u>Project Data</u>               |                                   |
| TO:           | City Council  | Originally Budgeted:              | 1987                              |
| FROM:         | City Manager  | Budgeted Fund:                    | Transportation<br>Development Act |
| MEETING DATE: | April 1, 1987   | Amount Budgeted:                  | \$56,000                          |
| AGENDA TITLE: | Approve Plans and Specifications for Tokay Street<br>Reconstruction, SPRR to Stockton Street, and Authorize<br>Advertising for Bids | Project Estimate (this contract): | \$62,000                          |
|               |   | Total Project Estimate:           | \$70,000                          |
|               |   | Bid Opening Date:                 | 4/29/87                           |

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This projects includes minor storm drain work and reconstruction of the pavement. Due to the nature of industries having access on this portion of Tokay Street, a number of measures have been taken to minimize and equalize the disruption to their operations. They include:

- ° separation of this work and the overlay planned for Tokay Street, Stockton to Cherokee, into two separate projects;
- ° replacement of curb and gutter by informal contract prior to the street work;
- ° pavement design using full depth asphalt concrete instead of rock base and asphalt concrete;
- ° scheduling work for the month of June.

The total project estimate includes the work being done under separate contract.

FOR: Jack L. Rowko
