

## COUNCIL COMMUNICATION

TO: THE CITY COUNCIL  
FROM: THE CITY MANAGER'S OFFICE

DATE: March 24, 1987

NO.

SUBJECT:

Consider Ordinance relating to Solid Waste Transportation  
Within the City

PREPARED BY: City Attorney

RECOMMENDED ACTION: That the City Council introduce the ordinance.

BACKGROUND INFORMATION: At the last City Council meeting, I was asked to prepare an ordinance which would require that no solid waste and/or garbage shall be removed and carried on and along the streets and alleys of the City, unless such materials are enclosed or otherwise secured so as to prevent the solid waste and/or other garbage from being blown, dropped, spilled, or leaked.

This ordinance is to conform with San Joaquin County's new requirements that all such matter as described above that is being taken the Harney Lane Landfill shall be so secured.

For the present time, the enforcement of this ordinance will be by citation. It is recommended that for the first 30 days after the ordinance becomes law, that the Police Department warn individuals that they are in violation, rather than issuing citations.

This office will be exploring with the City's solid waste franchisee, the possibility of some regulation within the new franchise agreement which will be similar to that which the County has proposed.

Respectfully submitted,

Ronald M. Stein  
City Attorney
