

CITY COUNCIL MEETING
APRIL 2, 1986

"NO PARKING" ZONES
ESTABLISHED AT HAM
AND LOCKEFORD AND
TURNER AND CHURCH
STREETS

RES. NO. 86-50

CC-48 (e)

Agenda item K-4 - "Establish "No Parking" zones at Ham and Lockeford Street and Turner and Church Streets" was introduced by Public Works Director Ronsko.

Council Member Snider asked to abstain from discussion and voting on this matter as it pertains to Ham and Lockeford Street, because of a possible conflict of interest.

Council was reminded that it had earlier approved the installation of traffic signals at Ham Lane and Lockeford Street, and Turner Road and Church Street-Rivergate Drive. The design includes left-turn lanes on Ham, Lockeford and Church Street; thus, restriping for additional lanes is necessary at both intersections. Exhibits depicting the proposed "No Parking" zones were presented for Council's perusal.

Following discussion, with questions being directed to Staff, Council, on motion of Mayor Pro Tempore Reid, adopted Resolution No. 86-50 (Section 1) approving the establishment of "No Parking" zones at Ham Lane and Lockeford Street. The motion was seconded by Mayor Hinchman and carried by the following vote:

Ayes: Council Members - Olson, Pinkerton, Reid, and Hinchman (Mayor)

Noes: Council Members - None

Abstain: Council Members - Snider

Absent: Council Members - None

On motion of Mayor Pro Tempore Reid, Snider second, Council adopted Section 2 of Resolution No. 86-50 approving the establishment of "No Parking" zones at Turner Road and Church Street/Rivergate Drive. The motion carried by unanimous vote.
