

CITY COUNCIL MEETING  
APRIL 2, 1966

AMENDMENT TO TITLE  
10, CHAPTER 10.20.230C  
CITY CODE RE PARKING  
IN OTHER THAN  
DESIGNATED SPACES

ORD. NO. 1380  
INTRODUCED

CC-48 (a)

Council was apprised that a number of vehicles in the City Hall parking lot have been parked in other than the designated spaces. Specifically they have been parked between two spaces. The Meter Deputies have cited them for being in violation of Section 10.28.090 of the Municipal Code which section relates to parking adjacent to parking meters. In researching this section, it has been determined that this section would not apply to a space where no meter was, in fact, erected. Therefore, the City Attorney believes that it is necessary to amend the code to provide for parking in between two spaces in a parking lot where there is no meter designation.

Following the City Attorney's recommendation, Council introduced Ordinance No. 1380 amending Title 10, Chapter 10.20.230 of the Lodi Municipal Code as it relates to parking in other than designated spaces in City parking lots.
