Dear Alice:

As you know, every year Sanitary City Disposal Company provides our customers with a general clean up week. All participants are allowed to put out extra refuse during this particular week. This year we plan to coordinate our clean up week with the Keep America Beautiful Week which is April 22 through April 26. At this time, I would like to request the opportunity to appear before the City Council at the next council meeting to make this announcement publicly. This information will be provided two weeks in advance through the local news media.

If you have any questions, please feel free to contact me.

Sincerely,
