To: Honorable Mayor and Members of the Lodi City Council

From: Lakeshore Village Homeowners Association

Date: February 8, 1985

We, the below signed residents of Lakeshore Village do hereby petition the Lodi City Council to ban the parking of large Semi-Trucks on Kettleman Lane between So. Mills Avenue and the Canal. Many trucks now parking there prevent the viewing of traffic flow on Kettleman Lane which causes a hazard to automobiles pulling out onto Kettleman Lane from both So. Mills and Lakeshore Drive. We ask this action so as to prevent a real tragedy from occurring should an automobile drivers view of oncoming traffic be impaired by the large trucks.
