CITY COUNCIL MEETING
April 6, 1983

cc 22b

On motion of Mayor Reid, Snider second, Council adopted
Resolution No. 83-19 endorsing the "Great California
Resource Rally".

RESOLUTION NO.

127

RESOLUTION ENDORSING THE GREAT CALIFORNIA
RESOURCE RALLY APRIL 18-24, 1983

WHEREAS, California currently disposes of more than 35 million tons of non-hazardous solid waste each year in landfills; and

WHEREAS, by 1986 California will lose more than 45 percent of its sanitary landfill capacity, and

WHEREAS, Californians spend more than \$1.3 billion each year to collect, transfer, haul, and bury solid wastes containing hundreds of millions of dollars of valuable resources and energy that could be reused, recycled or recovered; and

WHEREAS, the problem of litter continues to plague California's cities and counties costing the taxpayers an additional \$100 million a year; and

WHEREAS, the California Waste Management Board is the state agency assisting and encouraging community programs in solid waste management planning and enforcement, recycling, resource reuse, energy recovery, litter control and public education and participation; and

WHEREAS, the California Waste Management Board—with the support of hundreds of California public interest groups, businesses and local governments—is sponsoring the Great California Resource Rally to be held April 18-24, 1983, to raise Californians awareness of the state's impending garbage crisis and encourage citizen participation in litter control, recycling and waste reduction activities; and

WHEREAS, the City of Lodi in concert with the San Joaquin County Board of Supervisors have a critical leadership role in helping California find solutions to its solid waste management problems;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lodi hereby endorses the Great California Resource Rally, April 18-24, 1983, and urges citizens, local businesses, government leaders and agencies to participate in Resource Rally activities, further;

THE CITY COUNCIL OF THE CITY OF LODI encourages Californians to help our state win its war on waste through year-long recycling, litter control and other waste management efforts.
