COUNCIL COMMUNICATION

TO: City Council
 FROM: City Manager
 DATE: March 23, 1983
 SUBJECT: Approval of Asphalt Material Specifications

RECOMMENDED ACTION: That the City Council approve the specifications for asphalt material and authorize the purchasing agent to advertise for bids to be received Wednesday, April 20, 1983.

BACKGROUND INFORMATION: The City advertises for asphalt material on a quarterly basis, however, due to stabilized prices and small quantities used during the winter months, we went to bid for six months in August, which covered the second and third quarter, the period of September 1, 1982 through March 30, 1983. The approval of asphalt specifications were inadvertently left off of the March City Council meetings and are therefore requesting we go to bid for the remaining two months of the fourth quarter of fiscal year May 1, 1983 through June 30, 1983.

A recap of quantities is shown below:

<u>Asphalt Material</u>	<u>Quantities</u>
Item No. 1	1,000 Tons
Item No. 2	250 Ton
