COUNCIL COMMUNICATION

TO: City Council
 FROM: City Manager
 DATE: April 2, 1982
 SUBJECT: Contract for Well Drilling, Well #10

RECOMMENDED ACTION: That the City Council award the bid for "Well Drilling, Well #10" to Henning Bros. Well Drilling, the low bidder, in the amount of \$5.50 LF for the Test Well and conditionally award the main well bid to Arthur and Orum Co. in the amount of \$40,791.50.

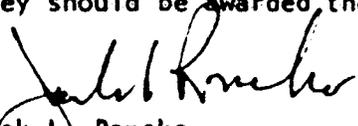

BACKGROUND INFORMATION: Plans and specifications for this project were approved by the City Council on March 10, 1982. The plans called for drilling one main well on the same site as the old, unserviceable well. During the bidding, questions were raised concerning underground conditions. An addendum was issued calling for bids on drilling a test well. (± 400 ft. depth)

It is recommended that a purchase order be issued to the low bidder on the test well, Henning Brothers and that the main well be awarded to the low bidder, Arthur & Orum Co., contingent upon satisfactory completion of the test well. Bids were opened on Wednesday, March 31, 1982, and the following six bids were received:
