RESOLUTION NO. 82-30

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LODI
ESTABLISHING A LODI ARTS COMMISSION IN THE CITY OF
LODI

WHEREAS, the stature of a community is not measured by size alone but in the way its physical and cultural needs are met.

WHEREAS, with this in mind as being most important and with the establishment of the Lodi Community Center, which adheres to the above statement, along with the constant and concrete evidence of an expanding interest in the arts, both nationally and locally, it is most advisable that a Lodi Arts Commission be established to assist local arts groups to become more reflective of the wide range of contributive talents existing within the community.

WHEREAS, such a commission, parallel to and balancing the existing Recreation Commission, will provide strong support within the administration of the Lodi Community Center and will prove a valuable assist to the City in procuring such monies from regional, state, and national sources as may be available in support of the arts and their furtherance.

WHEREAS, to such end, the following design for the establishment of a Lodi Arts Commission is hereby submitted.

FINDINGS:

The City Council hereby finds and declares:

- a) That the growth and flourishing of art and culture depend upon freedom, imagination and individual initiative;
- b) That the encouragement and support of art and culture, while primarily a matter for private and local initiative, is also an appropriate matter of concern to the City of Lodi;
- c) That this City's prestige and general welfare will be promoted by providing recognition that art and culture, and the creative spirit which motivates them and which they personify, are valued as an essential part of the City's resources;
- d) That it is in the best interest of the City of Lodi to maintain, develop and disseminate the City's artistic and cultural resources;

- e) That the continued growth of the Arts can no longer be sustained by traditional resources; and
- f) That in order to implement these findings it is desirable to establish the Lodi Arts Commission to provide such recognition and assistance as will encourage and promote the City's artistic and cultural progress.

ARTS COMMISSION ESTABLISHED:

NOW, THEREFORE BE IT RESOLVED that there is established a Lodi Arts Commission to promote and encourage programs to further the development and public awareness of and interest in the fine and performing arts and to act in an advisory capacity to the Lodi City Council in connection with the artistic and cultural development of the City.

MEMBERSHIP:

- a) The Commission shall be initially fifteen (15) members appointed by the Mayor from a list of nominees, with the approval of the City Council.
 - 1) Of the fifteen (15) members, no less than eight (8) shall be directly associated with and involved in one or more of the following arts disciplines: Architecture and Environmental Arts, Literature, Theater, Dance, Music, Arts Criticism, Arts History, Painting, Sculpture, Photography, Arts Education, and Gems and Minerals.
 - 2) The balance of the Commission shall be made up of persons working outside professional practice in the arts who demonstrate a deep interest and appreciation of cultural and artistic activities.
- b) Each member of the Commission shall hold office for a term of three (3) years, except that:
 - 1) the terms of the members first taking office shall expire as follows, as designated by the Mayor at the time of appointment: five (5) at the end of the first year, five (5) at the end of the second year, and five (5) at the end of the third year; and

- 2) as terms expire after the first and second year, succeeding appointees shall serve for three (3) years; and
 - 3) any member appointed to fill the vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term; and
 - 4) no member shall serve more than two (2) consecutive years per term. This provision shall apply to any persons appointed to fill vacancies within the membership.
- c) In addition to the Mayor, the City Manager, and the City Attorney, such other persons as may be designated as ex officio members without vote by the Mayor with advice from the City Council shall be selected from any department, office, commission, board, employee, or instrumentality of the City of Lodi to aid, assist, and advise the Arts Commission.

CHAIRMAN:

- a) The Mayor shall appoint by and with the advice and consent of the City Council the initial Chairman of the Commission from among the fifteen (15) persons appointed to the Commission.
- b) After the first year, or if a vacancy occurs in the office of Chairman, the fifteen (15) members of the commission will, by a majority vote, elect the chairman from among their number.
- c) The Chairman shall serve at the pleasure of the City Council, but not in excess of two (2) consecutive years per term, and the provisions of this subsection shall apply to any person appointed to fill the vacancy in the office of Chairman.

VACANCIES:

If a member of the Arts Commission shall be absent from three (3) consecutive regular meetings of the Commission without leave of absence from the Commission expressed in its official minutes, such office shall become vacant and shall be so declared by the Mayor. The Secretary of the Commission shall notify the Mayor of any vacancy whenever such occurs.

ORGANIZATION:

The Commission shall organize and adopt administrative rules and procedures consistent with this Part to accomplish its purposes. The Chairman shall appoint such officers or committees as shall be deemed necessary by the Commission.

POWERS AND DUTIES:

The powers and duties of the Commission shall be as follows:

- a) All of the Commission shall meet at the call of the Chairman or a majority of the Commission, but not less than once every three months. The Commission shall keep an accurate record of its proceedings and transactions;
- b) Recommend ways to maintain and increase the artistic and cultural resources of the City of Lodi;
- c) Propose methods to encourage private initiative in the fields of art and culture;
- d) Solicit private, state and federal funding available for the fine and performing arts;
- e) Develop methods by which to coordinate existing resources and facilities, and to foster artistic and cultural endeavors and the use of the arts both locally and outside of the City to promote the best interests of the City;

- h) Advise the City concerning the receipt of or purchase of and display of works of art to be

placed on municipal property, except for acquisition by museums and art galleries;

- i) Improve access to the arts through various programs so that the arts are within the reach of persons of all cultural backgrounds and levels of income. The Commission shall especially be concerned for segments of the community in which the arts are lacking and needed;
- j) Conduct studies and make recommendations with a view to formulating methods or ways by which creative activity and high standards and increased opportunities in the arts and culture may be encouraged and promoted in the best interest of the City's artistic and cultural progress and a greater appreciation and enjoyment of the arts and culture by the citizens of the City of Lodi and how such can be encouraged and developed;
- k) Provide preliminary screening of annual requests for allocation of Community Promotion funds for cultural and art activities and recommend a list of priorities with regard to those requests to the City Council. The Commission recommendation shall:
 - 1) Be listed by priority ranking to reflect the Commission's recommendations based on thorough consideration and evaluation of information and data to be submitted by applicant organizations to justify requested funding.
 - 2) Be submitted in accordance with due dates to be specified by the City Manager to insure the City Annual Budget review schedules are met.
 - 3) Be advisory only and not binding upon the City Council; all final determinations shall be made by the City Council.
- 1) To perform such other related duties and functions as the City Council may from time to time direct, or otherwise appoint, the Commission to administer or coordinate on behalf of the City.
