CITY COUNCIL MEETING

APRIL 7, 1982

DISCUSSION RE  
TRAFFIC SIGNALS  
AT VARIOUS  
LOCATIONS

A brief Council discussion followed regarding traffic signals at California and Turner Road and at Ham Lane and Tokay Street. No formal action was taken by the City Council on these matters.

# CITY OF LODI

PUBLIC WORKS DEPARTMENT

## COUNCIL COMMUNICATION

TO: City Council  
FROM: City Manager  
DATE: April 2, 1982  
SUBJECT: Adopt Resolution Establishing Pedestrian Crosswalk -  
Turner Road on east side of Stockton Street

**RECOMMENDED ACTION:** That the City Council adopt a resolution establishing a pedestrian crosswalk across Turner Road on the east side of Stockton Street.

**BACKGROUND INFORMATION:** James Areida, Interim Facility Planner for the Lodi Unified School District, has requested the above installation. A copy of the request is attached.

The Engineering Department concurs in the comments of the school district and recommends the installation be made as shown on the attached sketch.

Parents of children using the crossing should be made aware by the school that their children should continue to use extreme caution in crossing the street at this location.

  
Jack L. Ronsko

FACILITIES and PLANNING, 815 W. LOCKEFORD ST., LODI, CA. 95240 (209) 380-7411 - 466-0353

March 30, 1982

Mr. Jack Ronsko  
City Hall  
221 W. Pine  
Lodi, California 95240

Dear Jack:

The subdivision, Mokelumne Village, north of Turner Road at the end of Stockton Street is generating a number of children who attend Lawrence School and must cross the busy Turner Road to reach school.

The parents and the school personnel at Lawrence School feel that this crossing is hazardous and have requested safety measures be taken.

We are requesting that you look at the possibility of establishing a crosswalk at the crossing of Turner Road and Stockton Street.

Many more pupils will be making this crossing as homes are built.

Very truly yours,

A handwritten signature in cursive script, appearing to read 'James Areida'.

James Areida  
Interim Facility Planner
