Dear Alice:

Bravo to the City of Lodi!

I was absolutely delighted to receive Resolution No. 81-19 endorsing the various programs proposed by the President of the United States. As one who strongly supports reductions in both spending and taxes, bringing the government down to size, and fortifying the national defense, I wholeheartedly agree with your thinking.

The City of Lodi is to be commended for this extremely responsible action, and for having the courage to realize that sacrifices will be required of all of us if the goals we desire are to be achieved. I shall look forward to working with you during the coming months, and to hearing further from you in the future.

With best regards,

Sincerely,

Norman D. Shumway
