

CITY COUNCIL MEETING

April 15, 1981

7 PUC
APPLICATIONS

City Clerk Reimche presented a letter which had been received from PG&E stating that in PUC Application No. 60412, it has requested authorization to become a participant in the integrated coal gasification combined cycle demonstration program at Cool Water and to authorize concurrent recovery of its expenditures resulting from such participation.

ROBERT OHLBACH
ASSOCIATE GENERAL COUNSEL

March 31, 1981

TO THE STATE, COUNTY AND CITY OFFICIALS AND INTERESTED
PARTIES IN APPLICATION NO. 60412

PACIFIC GAS AND ELECTRIC COMPANY hereby gives notice that in Application No. 60412 it has requested authorization to become a participant in the integrated coal gasification combined cycle demonstration program at Cool Water and to authorize concurrent recovery of its expenditures resulting from such participation.

The Cool Water Program Adjustment (CPA) is proposed to become effective on July 1, 1981. The proposed adjustment procedure would increase electric lifeline rates \$0.00030 per kilowatt hour; residential tier II rates \$0.00041 per kwh; residential tier III rates \$0.00057 per kwh; and non-residential rates \$0.00038 per kwh. PGandE proposes to revise the CPA rate annually on April 1 of each year or as soon thereafter as the Commission may authorize.

The State, the counties, the municipal corporations, and other parties interested in the above-mentioned filing will be furnished a copy of Application No. 60412 with related exhibits, upon written request made to PGandE, 77 Beale Street, San Francisco, California 94106, Attention: Robert Ohlbach, Associate General Counsel.

This notice is given in accordance with Rule 24 of the revised Rules of Practice and Procedure of the California Public Utilities Commission.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
