## COUNCIL COMMUNICATION

**TO:** City Council  
**FROM:** City Manager  
**DATE:** April 9, 1986  
**SUBJECT:** Stockton Street Improvements  
 Vine to Tokay  
 FAU MY-314(4)

### Project Data

Originally Budgeted: 1985  
 Budgeted Fund: Federal Aid Urban (FAU)  
 and Transportation Development Act  
 (TDA)  
 Amount Budgeted: \$248,000  
 Total Project Estimate: \$260,000  
 Bid Opening Date: 4/9/86  
 Over-run Fund: Same as above

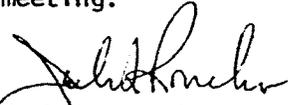

**RECOMMENDED ACTION:** That the City Council award the contract (Alternate B) for the above project to C. C. Wood Co. in the amount of \$241,420.50 and appropriate an additional \$12,000 for the project.

**BACKGROUND INFORMATION:** This project includes the reconstruction and minor widening of Stockton Street. Alternate B includes full depth asphalt concrete instead of asphalt and aggregate base construction. Staff feels the time savings and ease of construction are worth the additional expenditure of \$3285. The additional appropriation will be from the FAU fund - as much as is available - with the balance from the TDA fund. Plans and specifications for this project were approved on March 5, 1986.

The City has received the following 3 bids for this project:

BIDDER	LOCATION	BID	
		Alt. A	Alt. B
Claude C. Wood	Lodi	\$238,135.50	\$241,420.50
Teichert Construction	Stockton	249,968.00	258,624.00
Granite Construction	Stockton	268,122.50	266,542.50
Engineer's Estimate		\$226,940.00	\$233,520.00

Due to the Federal FAU funding on this project, CalTrans approval of the award must be obtained. If this approval is not received by the night of the Council meeting, a recommendation regarding deferring the award will be made at the meeting.
