

CITY OF LODI
COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Contract for Fire Station No. 2 Site Improvement Project to Stat-X General Engineering, of Salida (\$28,290) and Appropriating Funds (\$9,000)

MEETING DATE: April 17, 2013

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt resolution awarding contract for Fire Station No. 2 Site Improvement Project to Stat-X General Engineering, of Salida, in the amount of \$28,290 and appropriating funds in the amount of \$9,000.

BACKGROUND INFORMATION: On March 6, 2013, Council authorized a two-year lease agreement of temporary quarters to provide living and working space during the design and construction of the new fire station and approved plans and specifications and authorized bids for the site improvements required to serve the temporary quarters.

The site improvement project consists of installing a wastewater service, water service, concrete walk and other incidental and related work to serve the temporary quarters.

Planning and design for the new fire station facility are underway, and it is anticipated it will be operational by April 2015. During construction, crews will reside in and operate the fire station from these temporary quarters.

The City received the following five bids for this project on April 3, 2013.

Table with 3 columns: Bidder, Location, Bid. Rows include Engineer's Estimate, Stat-X General Engineering, Arrow Construction, A. M. Stephens Construction, Soracco & Sons, Inc., and A-Vet Construction, Inc.

Staff recommends awarding a contract to Stat-X General Engineering, of Salida, for the Fire Station No. 2 Site Improvement Project in the amount of \$28,290 and appropriate funds in the amount of \$9,000.

FISCAL IMPACT: The City will incur additional costs to operate the temporary quarters that may be partially offset by vacating part of the fire station.

CITY OF LODI, CALIFORNIA

THIS CONTRACT made by and between the CITY OF LODI, State of California, herein referred to as the "City," and STAT-X GENERAL ENGINEERING, herein referred to as the "Contractor."

WITNESSETH:

That the parties hereto have mutually covenanted and agreed, and by these presents do covenant and agree with each other, as follows:

The complete Contract consists of the following documents which are incorporated herein by this reference, to-wit:

Notice Inviting Bids	The July 2006 Edition,
Information to Bidders	Standard Specifications,
General Provisions	State of California,
Special Provisions	Business and Transportation Agency,
Bid Proposal	Department of Transportation
Contract	
Contract Bonds	
Plans	

All of the above documents, sometimes hereinafter referred to as the "Contract Documents," are intended to cooperate so that any work called for in one and not mentioned in the other is to be executed the same as if mentioned in all said documents.

ARTICLE I - That for and in consideration of the payments and agreements hereinafter mentioned, to be made and performed by the City and under the condition expressed in the two bonds bearing even date with these presents and hereunto annexed, the Contractor agrees with the City, at Contractor's cost and expense, to do all the work and furnish all the materials except such as are mentioned in the specifications to be furnished by the City, necessary to construct and complete in a good workmanlike and substantial manner and to the satisfaction of the City the proposed improvements as shown and described in the Contract Documents which are hereby made a part of the Contract.

ARTICLE II - The City hereby promises and agrees with the Contractor to employ, and does hereby employ, the Contractor to provide all materials and services not supplied by the City and to do the work according to the terms and conditions for the price herein, and hereby contracts to pay the same as set forth in Section 5.600, "Measurement, Acceptance and Payment," of the General Provisions, in the manner and upon the conditions above set forth; and the said parties for themselves, their heirs, executors, administrators, successors and assigns, do hereby agree to the full performance of the covenants herein contained.

ARTICLE III - The Contractor agrees to conform to the provisions of Chapter 1, Part 7, Division 2 of the Labor Code. The Contractor and any Subcontractor will pay the general prevailing wage rate and other employer payments for health and welfare, pension, vacation, travel time, and subsistence pay, apprenticeship or other training programs. The responsibility for compliance with these Labor Code requirements is on the prime contractor.

ARTICLE IV - And the Contractor agrees to receive and accept the following prices as full compensation for furnishing all materials and for doing all the work contemplated and embraced in this agreement; also for all loss or damage arising out of the nature of the work aforesaid or from the action of the elements, or from any unforeseen difficulties or obstructions which may arise or be encountered in the prosecution of the work until its acceptance by the City, and for all risks of every description connected with the work; also for all expenses incurred by or in consequence of the suspension or discontinuance of work and for well and faithfully completing the work, and the whole thereof, in the manner and according to the Plans and Contract Documents and the requirements of the Engineer under them, to-wit:

The work consists of installing a modular building in the parking/training area on the north side of the existing Fire Station No. 2 building, installation of approximately 256 lineal feet of wastewater service pipeline, 56 lineal feet of water service pipeline, and 320 square feet of concrete walk and other incidental and related work, all as shown on the plans and specifications for the above project "Fire Station #2 Site Improvement Project, 705 East Lodi Avenue".
