G-BASIN PARK RE-
ORGANIZATION AND
CERTIFICATION OF
NEGATIVE DECLARA-
TION

Council received a Staff recommendation that the City Council initiate the non-contiguous annexation of G-Basin Park at the southeast corner of Lower Sacramento Road and the future extension of Century Boulevard and certify the filing of a Negative Declaration by the Community Development Director as adequate environmental documentation.

Council was further apprised that the City Attorney has ruled that this annexation is outside of the purvue of Measure "A" the Green Belt Initiative because it in no way amends the Land Use Element of the General Plan and is a legal process under the State's annexation procedures.
