TO: CITY COUNCIL

DATE: APRIL 19, 1982  
SUBJECT: RETIRED FIRE ENGINES

It has come to the attention of the Old Lodi Union High School Site Foundation that two additional LaFrance Fire Engines are retired from the fleet of vehicles owned by the City of Lodi.

The Foundation is hosting an elaborate "auction", July 31, and is garnering select area items as part of its program; we would be interested in obtaining the two fire engines.

As you know, the City gave the Foundation the retired 1949 LaFrance engine that it "couldn't sell" on the open market. Ruby brought in over \$12,000 that was turned back to the City in the form of payment on the debt of the Community Center Hutchins Street property.
