Dear Members.

I am writing this letter in hopes that you would consider a "Non-Smoking" Ordinance in restaurants, grocery, office clothing stores, and so on, in the City of Lodi. Sacramento and San Francisco already have this law in affect. There are a vast number of people who suffer from allergies in ^{the} part of the state, and the smell of cigarette smoke only adds to the problem. I would very much appreciate it if you would consider this matter at your next meeting.

Thank You
