

CITY COUNCIL MEETING

MAY 6, 1981

412

Continued May 6, 1981

PLANS AND SPECS  
FOR "MUNICIPAL  
SERVICE CENTER,  
PHASE III"  
APPROVED

The Plans and Specifications for "Municipal Service Center, Phase III" were presented for Council's approval.

The work, in general, consists of construction of access roadways, valley gutters, and storage binds. Construction of underground drainage fire protection and gravel storage areas have previously been accomplished by contract and City forces.

COUNCIL APPROVED THE PLANS AND SPECIFICATIONS FOR THE HERETOFORE MENTIONED PROJECT AND AUTHORIZED THE CITY CLERK TO ADVERTISE FOR BIDS THEREON.

PUBLIC WORKS DEPARTMENT

## COUNCIL COMMUNICATION

**TO:** City Council  
**FROM:** City Manager  
**DATE:** April 28, 1981  
**SUBJECT:** Plans and Specifications for 'MUNICIPAL SERVICE CENTER, PHASE III'

**RECOMMENDED ACTION:** That the City Council approve the plans and specifications for the above project and authorize the City Clerk to advertise for bids to be received Wednesday, May 27, 1981.

**BACKGROUND INFORMATION:** The construction of Municipal Service Center Open Storage was approved in the 1979-80 Capital Improvement Budget. This is the last major phase of the MSC construction.

In general, the work consists of construction of access roadways, valley gutters, and storage bins. Construction of underground drainage, fire protection and gravel storage areas have previously been accomplished by contract and City forces.

The total cost of the remaining MSC work is estimated at \$85,000. There presently remains about \$53,000 for completion of the MSC complex. Therefore, a special allocation will be needed depending upon actual bid price.

  
Jack L. Ronsko  
Public Works Director
