## COUNCIL COMMUNICATION

TO: City Council  
FROM: City Manager  
MEETING DATE: May 6, 1987  
AGENDA TITLE: Consider Request for "No Parking" zone on Washington Street  
S/Walnut Street

RECOMMENDED ACTION: That the City Council consider the request for a "No Parking" zone on Washington Street at the Loel Center (See attached exhibit).

BACKGROUND INFORMATION: Shirley Kleim, the Site Coordinator of Loel Center, requested the existing loading zone, which was previously requested by them, be replaced with a "No Parking" zone on Washington Street. An area for unloading and loading of passengers using Dial-a-Ride is needed.

Apparently the Senior Citizens have difficulty seeing the white passenger loading zone and tend to park in this area. Since this is the appropriate curb marking for this purpose, Staff does not recommend changing the zone. However, if Council wishes to establish the "No Parking" area, it is recommended the Loel Center be charged for the installation of the "No Parking" zone (includes 36 feet of red paint and one sign).
