

CITY COUNCIL MEETING
MAY 6, 1987

COMPLAINTS RECEIVED
REGARDING CABLE
TELEVISION

CC-16
CC-22 (c)

Council Member Hinchman indicated that he had again received complaints regarding Cable television and the lack of communication. Following discussion on the matter, Council requested that the City Manager prepare and present a report for the Council's review on complaints received regarding cable television. The report is to enumerate the number of complaints which have been received and the type of complaints.
