CONCERNS REGARDING  
TRUCK PARKING ON  
CHEROKEE LANE

CC-16  
CC-45(e)

Council Member Hinchman addressed the Council regarding problems that are being encountered with trucks parking on Cherokee Lane. Council Member Hinchman suggested that the City look into the feasibility of using Hotel-Motel tax funds for the development of truck parking in that area.

Discussion followed with Council being informed that this subject is presently on the Lodi District Chamber of Commerce Work Program for study and recommendation
