Dear Mr. McCarty:

Enclosed is a Resolution relative to MEDICAL ASSISTANTS WEEK which has been issued by the Senate Rules Committee annually for the past several years just prior to our State Convention. This copy was sent to us from the American Association of Medical Assistants, State of California, Inc. with the suggestions that we request such a resolution be obtained in the individual cities where local chapters of A. A. M. A. are active.

This copy is provided as a sample of what we would like to have from you declaring the week of May 11 through May 15, 1981 as MEDICAL ASSISTANTS WEEK in our city.

The Proclamations (or Resolutions) from all of the cities in the state will be posted at our 27th Annual Convention to be held in Fresno, California on May 15, 16 and 17, 1981.

Our Chapter members will be proud to have our city represented in this manner. Please mail the Resolution to me or if it will be more convenient for you, I will be most happy to pick it up.

Thank you for your consideration of this request and will look forward to hearing from you.

Sincerely,
