REAFFIRMATION OF
DOWNTOWN LOCATION
FOR NEW POST
OFFICE FACILITY

RES. NO. 81-67

Following introduction of the matter, Council, on motion of Councilman Katnich, Pinkerton second, adopted Resolution No. 81-67 reaffirming its previous endorsement for a downtown location for a new Post Office facility.

COUNCIL COMMUNICATION

TO: THE CITY COUNCIL	DATE	NO.
FROM: THE CITY MANAGER'S OFFICE	June 3, 1981	
SUBJECT: Proposed New Postal Facility - Downtown Location		

Council will recall that a letter dated December 15, 1977 was received from Lee W. Stallard, District Manager, Sierra District, United States Postal Service, advising that in their efforts to provide improved postal service, the postal service is considering the construction of a new post office in Lodi. The letter further stated that the postal service would plan to build their new Main Office in the following general preferred area defined as: bordered on the north by Lockeford Street, on the east by Sacramento Street, on the south by Kettleman Lane, and on the west by Ham Lane.

In April 1980, Walter F. Sanborn, Chairman of the Central Lodi Improvement Committee, appeared before Council asking for an expression of support for the retention of all post office facilities in downtown Lodi. The City Council unanimously voted to support that position and directed the City Clerk to forward a letter confirming this action to Congressman Shumway, Senator Hayakawa and the proper postal officials.

Because a year has passed since this indication of Council's support of a downtown location was forwarded to postal officials and to our legislators, it is recommended that Council, by resolution, reaffirm its position of constructing this facility in the downtown area of Lodi. A proposed resolution is attached for your consideration.

RESOLUTION NO.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LODI
SUPPORTING THE RETENTION OF ALL NEW POSTAL FACILITIES
IN THE DOWNTOWN AREA OF THE CITY OF LODI

WHEREAS, the City of Lodi has been apprised by the United States Postal Department that in its continuing efforts to improved postal service, it is considering the construction of a new post office facility at Lodi, California.

WHEREAS, it is believed that the large number of post office boxes and the approximately 1000 window transactions per day at the present site, generate essential customers for the local retail merchants, financial institutions, which business is necessary to keep the downtown area economically viable.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Lodi continues to support the retention of all post office facilities in the downtown area of this City.
