

RATE INCREASE
APPROVED TO
SANITARY CITY,
INC., FOR
REFUSE COLLECTION
SERVICE

URGENCY ORD. NO.
1230 ADOPTED

Councilman Pinkerton introduced agenda item "j" - "Request by Sanitary City for refuse rate increase" stating that at the City Council meeting of June 30, 1981, Mayor McCarty appointed Mayor Pro Tempore Murphy and Councilman Pinkerton as a committee to review the rate increase requested by Sanitary City, Inc., for refuse collection service.

Sanitary City, Inc.'s request was for a blanket 15% increase for residential and commercial service. After reviewing the request, it is the recommendation of the committee that a 9.8% rate increase is justified. Sanitary City will waive all future monthly charges to the City of Lodi for refuse collection as consideration of the additional fees to be paid.

City Clerk Reimche read into the record a letter received from Thomas C. Young, 311 LaVida Drive, Lodi, suggesting that either 1) the City pay the going rate for garbage service and allow other services to stand on their own, or 2) identify the service that the garbage fee is supporting so the City Council and Lodi citizens can determine if the service is worth the cost.

Following Council discussion, with questions being directed to Staff, Council, on motion of Councilman Hughes, McCarty second, adopted Urgency Ordinance No. 1230 approving a rate increase to Sanitary City, Inc., for refuse collection service on all bills prepared after July 1, 1981 as follows:

RESIDENTIAL

1 Can	\$3.85
Each additional can	1.75

COMMERCIAL SERVICE

All rates to be increased 9.8%

SPECIAL SERVICES AND BINS

All rates to be increased 9.8%

Sanitary City will waive all future monthly charges to the City of Lodi for refuse collection as consideration of the additional fees to be paid.
