City Manager Glaves introduced Agenda item k-5 - Award Contract - Hutchins Street Square Sprinklers advising that this project consists of the design and installation of a sprinkler system in the bare areas fronting Hutchins Street

and Walnut Street. The design has been reviewed by both our consultant and the recreation department and found acceptable with some minor additions.

Plans and specifications for this project were approved on May 18, 1983.

The City has received the following seven bids for this project:

Jonnie Galloway Landscaping	\$27,308.00
Fries Landscape Co.	\$29,999.00

There was an irregularity with the bid submittal in that the bonding company had submitted a bond from the wrong company through no fault of the contractor. It is recommended that this irregularity be waived and the award made to E. O. Baxter Landscaping.

Total project cost is estimated at \$22,500.00 which was not approved in the capital outlay budget. Approval of a special allocation is also needed to provide the necessary funding.
