CITY COUNCIL MEETING

JUNE 15, 1983

ASSIGNMENT OF
AGREEMENT WITH
DELTA
COMMUNICATIONS
TO MOTOROLA
COMMUNICATIONS
APPROVED

Following introduction of the matter, Council, on motion of Council Member Pinkerton, Snider second, approved the assignment of the Agreement with Delta Communications for City radio communication equipment maintenance to Motorola Communications and Electronics, Inc.

MEMORANDUM

To: Honorable Mayor and Council Members
From: City Attorney
Date: June 15, 1983
Re: Agreement with Delta Communications for City
Radio Communication Equipment Maintenance

Today, we received notice that Delta Communications, the contractor under a March 4, 1981 Agreement with the City for the maintenance of City radio communication equipment, has been sold to Motorola Communications and Electronics, Inc.

This information was made available to us pursuant to the provisions of the March 4, 1981 Agreement, wherein it is provided that the Agreement may not be assigned by Contractor without the written consent of the City.

Mr. Glenn and myself have looked into the matter and we see no problem with the assignment of the radio communications equipment maintenance contract, and would therefore request that the City Council approve same.

RONALD M. STEIN
City Attorney
