## **ABANDONED VEHICLE ABATEMENT PROGRAM TERMINATION**

### **PROGRAM FUNDING**

The Abandoned Vehicle Abatement Program (AVA) will terminate June 30, 1982. Funding was not included in the 1982/83 State budget to continue the program. This action precludes State reimbursements to cities and counties for vehicle abatement activities conducted after June 30, 1982.

Cities and counties may continue to abate abandoned vehicles at their own expense under existing ordinances as provided in Vehicle Code Sections 22660 - 22664.

### **INVOICE SUBMISSION**

Cities and counties with current AVA contracts with the State must submit all outstanding invoices by August 31, 1982, in order to receive reimbursement from the State AVA fund.

### **INQUIRIES**

Inquiries concerning the program termination may be made to the California Highway Patrol, Commercial and Technical Services Section, P. O. Box 898, Sacramento, CA 95804 or telephone (916) 445-1865.
