Attention: Ms. Gloria Haddock, Manager

Gentlemen:

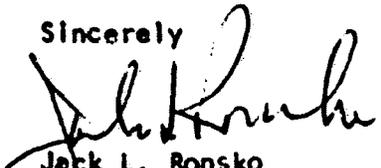

SUBJECT: Relocation of poles on Church Street -
Lockeford to Turner

The City Council at their last regular meeting of June 16, 1982, asked me to confirm that Pacific Telephone is on schedule with their pole relocation on Church Street (Lockeford to Turner).

I would appreciate a letter prior to our Council's next meeting (July 7, 1982), confirming your relocation schedule.

As the Lodi office has closed down since our last correspondence, I am enclosing a copy of my February 19 letter addressed to Mr. Jack Coy. If additional background information is needed to comply with the above request, please give me a call.

Sincerely

Jack L. Ronsko
Public Works Director

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: June 11, 1982
SUBJECT: Approve Plans and Specifications for West Lockeford St. Improvements

RECOMMENDED ACTION: That the City Council approve the plans and specifications for "Lockeford Street Improvements - Ham Lane to California Street," and authorize the City Clerk to advertise for bids to be received Wednesday, June 30, 1982.

BACKGROUND INFORMATION: The widening and reconstruction of Lockeford Street between Ham Lane to Crescent Avenue was approved in the 1981-1982 Capital Improvement Budget with an estimated expenditure of \$91,000. The project has been expanded to include Lockeford Street, Crescent Avenue to California Street.

In general, the work consists of reconstructing and widening the street including upgrading the water system and providing for future traffic signals at California and Lockeford.

The project is estimated at \$310,000. A special allocation will be requested at the time of contract award. The additional money is needed to include the project expansion.

Jack L. Ronsko
Public Works Director
