You may have some other outline that you use, but this will at least give you the type of representation that we are looking for in the proclamation.

We will anticipate attending the city council meeting on Wednesday, the 17th of June, at 7:30 pm. At this time our representative will be Rosanne Lombardi, RPT, however we may have additional staff attend and we will supply that information to you by phone on Tuesday, the 16th of June. Thank you for your assistance.

With warmest regards, I remain

Respectfully,
