

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Approve Plans and Specifications and Authorize Advertisement for Bids for Ham Lane Overlay Project, Lodi Avenue to Turner Road

**MEETING DATE:** June 19, 2013

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** Approve plans and specifications and authorize advertisement for bids for Ham Lane Overlay Project, Lodi Avenue to Turner Road.

**BACKGROUND INFORMATION:** This project consists of installing asphalt concrete overlay on Ham Lane from Lodi Avenue to Turner Road. The work includes installing approximately 4,650 tons of asphalt concrete overlay with pavement fabric, performing approximately 16,600 square feet of pavement dig-out, reconstructing 6,000 square feet of asphalt concrete pavement, and other incidental and related work. This project also includes relocating a crosswalk which requires public noticing per California Vehicle Code 21950.5.

The plans and specifications are on file in the Public Works Department. The planned bid opening date is July 17, 2013. The project estimate is \$1,250,000.

**FISCAL IMPACT:** The project will reduce maintenance costs in the project area.

**FUNDING AVAILABLE:** Funding will be identified at project award.
