

**CITY OF LODI
COUNCIL COMMUNICATION**

AGENDA TITLE: Adopt Resolution Awarding Contract for 2013-2015 Traffic Signal Preventive Maintenance and Repair Program to Aegis ITS, Inc., of Anaheim (\$38,556) and Authorizing Public Works Director to Execute Extensions

MEETING DATE: June 19, 2013

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt resolution awarding contract for 2013-2015 Traffic Signal Preventive Maintenance and Repair Program to Aegis ITS, Inc., of Anaheim, in the amount of \$38,556, and authorizing Public Works Director to execute extensions.

BACKGROUND INFORMATION: The contract includes providing preventive maintenance inspection services for approximately 56 City-maintained traffic signal and/or lighting systems. The specifications require the contractor to provide signal maintenance inspections at 120-day intervals and annually test the traffic signal conflict monitors. The flashing beacon and lighted crosswalks will be inspected once per year. The contract also includes an allocation for maintenance of the backplates (paint or replace, as needed).

The preventive maintenance inspections are intended to ensure the traffic signal systems are reliable and to reduce both equipment failures and the City's exposure to liability claims. The current maintenance contract will end on July 31, 2013.

Specifications for this project were approved on April 17, 2013. The City received the following two bids for this project on May 15, 2013.

Bidder	Location	Bid
Engineer's Estimate		\$ 67,660
Aegis ITS	Anaheim	\$ 38,556
Siemens	West Sacramento	\$ 62,950

The contract contains an option to extend if mutually agreeable to the City and the contractor. Staff recommends authorizing the Public Works Director to execute two two-year extensions to the contract when it is in the best interest of the City to do so.

FISCAL IMPACT: Preventative maintenance of the City's traffic signal systems reduces the City's exposure to liability claims.

FUNDING AVAILABLE: This project will be funded by Measure K (325051).
