

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Adopt Resolution Awarding Contract for 2013-2015 Sidewalk Grinding Program to Central Coast Surface Grinding, Inc., of Paso Robles (\$47,700) and Authorizing Public Works Director to Execute Extensions

**MEETING DATE:** June 19, 2013

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** Adopt resolution awarding contract for 2013-2015 Sidewalk Grinding Program to Central Coast Surface Grinding, Inc., of Paso Robles, in the amount of \$47,700 and authorizing Public Works Director to execute extensions.

**BACKGROUND INFORMATION:** This project will provide the City with a unit-price bid for grinding the uneven sidewalk at various locations throughout the City that currently present tripping hazards. This contract will allow the City to implement the project for Fiscal Years 2013/14 and 2014/15. Previously, this work was performed by City forces but workforce reductions require this to be outsourced. It has been several years since City forces have performed this work and a significant number of tripping hazards exist, increasing the City's liability exposure in case of accident. Provisions in the specifications allow the City to extend the contract if mutually agreed upon by City staff and the contractor. Staff recommends authorizing the Public Works Director to execute two two-year extensions to the contract when it is in the best interest of the City to do so.

Specifications for this project were approved on April 17, 2013. The City received the following three bids for this project on May 22, 2013. One bid was non-responsive as it did not include the Receipt of Addendum.

Bidder	Location	Bid
Engineer's Estimate		\$ N/A
Central Coast Surface Grinding, Inc.	Paso Robles	\$ 47,700
BPR, Inc.	Port Hueneme	\$ 49,300
Precision Concrete Cutting	Foster City	\$ 75,000*

\* Non-Responsive

**FISCAL IMPACT:** This contract will reduce the risk of liability associated with potential claims caused by tripping on uneven sidewalk.

**FUNDING AVAILABLE:** This project will be funded by Measure K (325054).
