

CITY COUNCIL MEETING  
JUNE 25, 1986

19

"NO PARKING" ZONE  
ESTABLISHED ON SOUTH  
SIDE OF LODI AVENUE  
LOWER SACRAMENTO ROAD TO  
LELAND COURT

RES. NO. 86-88

CC-45(a)  
CC-48(e)

Council was informed that recently Lodi Avenue has been widened in the vicinity of Leland Acres. Curb, gutter and sidewalk was also installed in conjunction with this project. The homes of this development have reverse

frontage. The City of Lodi recommends installing a free right turn lane on the northbound Lower Sacramento Road approach. Also, Staff recommended installing two eastbound lanes from Lower Sacramento Road to Cabrillo Court where two eastbound lanes currently exist. In order to accommodate these recommendations a 105 foot "No Parking" zone is necessary.

Council adopted Resolution No. 86-88 establishing a "No Parking" zone on the south side of Lodi Avenue from Lower Sacramento Road to Leland Court.
