## COUNCIL COMMUNICATION

TO: City Council

FROM: City Manager

DATE: June 17, 1986

SUBJECT: Central Avenue Curb & Gutter  
Replacement - Cherry St. to Tokay St.

### Project Data

Originally Budgeted:	1983
Budgeted Fund:	Gas Tax
Amount Budgeted:	-
Total Project Estimate:	\$86,000
Bid Opening Date:	July 23, 1986

**RECOMMENDED ACTION:** That the City Council approve the plans and specifications for the above project and authorize advertisement for bids thereon.

**BACKGROUND INFORMATION:** This project was originally to be part of the Maple/Central Storm Drain project. The cost of the work exceeded the funds available in the storm drain project and there were questions over extensive sidewalk replacement. Since then, funds have accumulated in the miscellaneous curb and gutter projects account (approximately \$91,000) and the City's policies regarding sidewalk replacement have been formalized.
