COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: June 30, 1982
SUBJECT: Contract for "LOCKEFORD STREET IMPROVEMENTS, Ham Lane to California Street"

RECOMMENDED ACTION: That the City Council award the bid for the above project to Claude C. Wood Company, Inc. the low bidder, in the amount of \$208,019.00, and appropriate an additional \$180,000 in TDA funds to complete the project.

BACKGROUND INFORMATION: Plans and specifications for this project were approved by the City Council on June 16, 1982. Bids were opened on Wednesday, June 30, 1982, and the following 3 bids were received:

<u>BIDDER</u>	<u>LOCATION</u>	<u>BID, BASE BID & ALTERNATE</u>	
		<u>A</u>	<u>B</u>
Claude C. Wood Company, Inc.	Lodi	\$ 208,019	\$ 211,519
Granite Construction Co.	Stockton	\$ 216,130	\$ 210,971
Teichert Construction Co.	Stockton	\$ 234,446	\$ 233,218
Engineer's Estimate		\$ 216,000	

A tabulation of the bids has also been attached.

Presently, \$91,000 of Transportation Development Act funds has been appropriated to reconstruct Lockeford Street from Ham Lane to Crescent Avenue. Expansion of the project to California Street and widening on the north side have resulted in the higher project cost and the need for additional funds. The low bid also includes \$6200 to install conduit and foundations for a future traffic signal at California Street within the project limits.

A similar bid for street light conduit foundations was not requested since this cost would usually be borne by property owners under an assessment district.
