PLANS AND SPECS
ON BLOCK GRANT
STORM DRAIN
PROJECTS APPRVD

Council, on motion of Mayor Pro Tempore Hinchman, Olson second, approved the plans and specifications for "Poplar Street Storm Drain, Stockton Street to Central Avenue - Central Avenue Storm Drain, Oak Street to Elm Street" and authorized the advertisement for bids thereon. Council further authorized the Public Works Director to move the bid opening date as necessary to comply with Federal Requirements.

Council was informed that these projects include the installation of 12" and 30" storm drains in Poplar Street to relieve flooding on Central Avenue, and curb and gutter replacement on Central Avenue from Poplar Street to Concord Street, and installation of 12", 15" and 21" storm drains in Central Avenue. Since this is the City's first project under this program, the specifications are being reviewed by the Federal Agencies responsible for the Grant and the bid opening date may need to be changed in the event addendums to the specifications are necessary.
