RESOLUTION DECLARING WEEDS A PUBLIC NUISANCE AND INITIATING
ABATEMENT PROCEEDINGS 205 FLORA STREET, LODI

Section 39500 et seq of the Government Code of the State of California provides for proceedings whereby a City Council can declare as a public nuisance all weeds growing upon streets, sidewalks and private property in the City of Lodi.

Under the subject proceedings Council sets a Public Hearing to hear all objections to the proposed removal of weeds. Following the public hearing the Council may adopt a resolution overruling objections and determining to proceed with the abatement of the weeds growing upon public ways and private property in the City.

Council under this Government Code Section has the authority to order the Director of Public Works to abate the nuisance and keep an accounting of the costs involved. The cost of the abatement constitutes a special assessment against the parcel and is a lien on the parcel. The Council may then direct the City Clerk to transmit a certified copy of the Resolution it adopts confirming the cost of the abatement and providing for the collection on the regular tax bill to the Council Assessor, County Tax Collector and County Auditor for entering upon the county tax roll and collection.

The City Attorney has advised this office that the Lodi Fire Marshal has sent notices of violation of the City of Lodi Fire Code to the owner of property at 205 Flora Street, Lodi because of an accumulation of weed growth in vacant areas on a parcel located at that address. The subject property owner has not responded in any way to these notices nor to the letter regarding the matter sent by the City Attorney on June 5, 1985. It is therefore requested that Council adopt the attached resolution - Resolution Declaring Weeds a Public Nuisance and Initiating Abatement Proceedings - 205 Flora Street, Lodi, California and set the Public Hearing to hear objections concerning the matter for 7:30 pm on August 21, 1985.

RECOMMENDED ACTION: Adopt Resolution Declaring Weeds a Public Nuisance and Initiating Abatement Proceedings - 205 Flora Street, Lodi, California and set the Public Hearing to hear objections concerning the matter for 7:30 pm on Wednesday, August 21, 1985.
