Re: City of Lodi Planning Commission

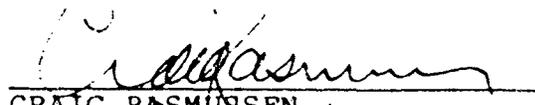

Dear Randy:

Thank you for our brief telephone conversation today concerning the present vacancies on the City of Lodi Planning Commission. This shall confirm that I am interested in a position on the Commission and would be pleased to be considered for such an appointment.

As you know, I have lived and worked in Lodi for approximately 5 years, and have been involved in Lodi land use concerns, particularly through my activities on the Board of Directors with the Lodi District Chamber of Commerce. I know you are familiar with my activities with the Rotary Club and Lodi Boys and Girls Club, and I hope to be able to carry my civic pride and community concern to the Planning Commission as well.

Thank you for your consideration of myself for the appointment. If completion of an application or further information is necessary, please just let me know.

Very truly yours,

CRAIG RASMUSSEN

Dear Mayor Snider and City Council Members,

I am applying for the vacancy replacement of a board member on the Lodi City Library Board.

Currently I am a part-time consultant of libraries for the Lodi Unified School District.

I would hope to provide encouragement, techniques and constructive challenges for the progress of our City Library through my many years' experiences as an administrator involved in the school curriculum, supervisor of schools and as an administrator involved in the selection of school and library media. Some of my most gratifying years have also been as a teacher of most grade levels.

I am looking forward to this experience should I be accepted to serve on the Lodi City Library Board.

Sincerely,

Sachiko A. Ishida

Dear Randy:

As requested by you from our telephone conversation of this date, I have compiled the necessary information for your consideration of my serving in one of the available positions on the Lodi Planning Commission.

I am a native of the City of Lodi and therefor am concerned about it's future. I was educated through the local school system, graduated from Lodi High School in 1971 and attended Delta College.

I am thirty-one (31) years of age and at the present time, a single man. I am currently employed as Business Development Manager for Ted A. Molfino - builder in Lodi and have been involved in many facets of the construction field for the majority of my career.

Over the years I have watched the City of Lodi go through many changes, some good and some not so good. I feel that these past observations, along with my experience in the construction and development field, will enable me to make educated and above all, unbiased decisions for the betterment of our community.

I have enclosed a list of citizens who support me for this position, any of which may be contacted for personal references.

If there is any further information required, I will be happy to provide it upon request.

Very truly yours,

Larry J. Mindt

Re: Reappointment - Lodi City Planning Commission

Dear Mayor Snider:

As we recently discussed, I have enjoyed serving on the Lodi City Planning Commission for these past four years. I was honored to have served a year as Vice-Chairman, member of Site Plan and Architectural Review Committee (SPARC) and one year as chairman.

However, with my term of appointment expiring soon, I respectfully request that I not be considered for reappointment to another four year term as commissioner. The press of business makes it difficult to devote the adequate amount of time required for this service.

I believe that I have lived up to my commitment to the City for quality growth in Lodi. I have enjoyed my association with each of those with whom I have served.

If I can be of any future service to the City of Lodi, do not hesitate to call.

Very truly yours,

A. Fred Baker
