Dear Mr. Bott:

Please be advised that at the June 2, 1982 meeting of the Lodi City Council, Mr. Leon Mitchell and seven other individuals appeared before the City Council to register complaints about the conduct of Lodi Police Officers.

The City Council referred the matter to the City Manager, and an investigation was conducted.

The attached report on this investigation was presented to the Lodi City Council at its regular meeting of August 4, 1982.

The citizenry attending the August 4th Council Meeting expressed its dissatisfaction with the report, and the Lodi City Council, following lengthy public input and discussion unanimously voted to refer the matter to the Grand Jury for investigation. We would, therefore, formally request that the San Joaquin County Grand Jury conduct such an investigation.

I would be most pleased to meet with you to respond to any questions you may have regarding this matter.

Very truly yours,

Fred M. Reid
