CITY CLERK
CITY OF LODI

I am interested in building a Community exhibit for Lodi, at the Los Angeles County Fair, Pomona, California, Sept. 9th to Sept. 26th, 1982.

The Fair is having a large tasting room, Judging and Wine & Grape exhibits in their main feature exhibit building. Lodi's 20 X 20 Foot exhibit space would be in this area. I plan to have a California location map of Lodi, showing the area wine tasting rooms and the Grape and Festival and National Wine Shows, also the historical background of Lodi as a Grape and Wine district and a model of a working winery.

The Los Angeles County Fair is the largest County Fair in the world, and the largest of any Fair or Exposition, with attendance of over 1-1/2 million people.

I am a resident of Lodi, and will be building displays for Tulare, Mariposa and Tuolumne Counties, plus the California Raisin Advisory Board exhibits. I've also built displays for the California Wine Institute and California Wine Advisory Board, and would put together an exhibit Lodi could be proud of, that would help promote the City and the local Grape and Wine Industry.

Sincerely,

William Cook
