Council was apprised that Section 5.24.210 of the Lodi Municipal Code provides that the operator of vehicles for hire must provide the city with information pertaining to the distinctive color scheme, name, monogram or insignia which will be used on such vehicles.

In the permit to operate, issued to City Cab Company on December 12, 1973, it was designated that the color scheme on all taxicabs is yellow and all vehicles are to have a "City Cab Co." designation on the front doors.

A request has been received from City Cab Company asking that they be allowed to have both yellow and white vehicles in their fleet of taxicabs with the designation of "City Cab Co." on the sides of the vehicles.

Council approved the request for both yellow and white vehicles for the City Cab Company fleet of taxicabs and directed the City Clerk to issue the appropriate amended operators permit.
