COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: July 29, 1986
SUBJECT: Central Avenue Curb & Gutter Replacement

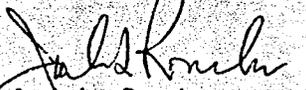

Project Data	
Originally Budgeted:	1983
Budgeted Fund:	Gas Tax
Amount Budgeted:	--
Total Project Estimate:	\$86,000

RECOMMENDED ACTION: That the City Council approve the soliciting of informal bids.

BACKGROUND INFORMATION: The City advertised for bids on this project to be opened Wednesday, July 23, 1986. No bids were submitted for the project.

Section 20166 of the State Public Contracts Code states in part "If no bids are received, the legislative body may have the project done without further compliance with this chapter."

In the interest of both time and money, the Public Works Department recommends the soliciting and awarding of bids on an informal basis. Inquiries have indicated three (3) local contractors would be interested. No bond would be required, but other normal requirements of formal bidding, such as a signed contract and insurance, would be required.
