AND ALTERNATE
FOR LEAGUE OF
CALIFORNIA CITIES
ANNUAL CONFERENCE

Following introduction of the matter Council, on motion of Council Member Snider, Olson second, designated Mayor Hinchman as the Voting Delegate and Mayor Pro Tempore Reid as the Voting Alternate for the League of California Cities Annual Conference to be held in San Francisco October 6 - 9, 1985.

COUNCIL COMMUNICATION

TO: THE CITY COUNCIL	DATE	NO.
FROM: THE CITY MANAGER'S OFFICE	August 7, 1985	
SUBJECT: Designation of Voting Delegate and Voting Alternate for the League of California Cities Annual Conference		

One of the most important aspects of the League of California Cities Annual Conference is the General Business Session at which time the membership takes action on conference resolutions. It is especially important during these times of uncertainty for California cities to take the initiative in developing positive programs for the future.

To expedite this important policy-making process, each City Council should designate a voting representative and an alternate who will be present at the Business Session which will be held Tuesday, October 8, 1985 at 3:30 pm in the San Francisco Hilton Hotel.

The League Constitution provides that each city is entitled to one vote in matters affecting municipal or League Policy. A voting card will be provided to the city official designated by the City Council as the "Voting Delegate". If it becomes necessary for the voting delegate and the designated alternate to leave the Conference, the card may be transferred to another official from the same city, providing the transfer has been cleared with the Credentials Committee, which will be responsible for distributing voting cards.

It is suggested that the Mayor and all Council Members from a given city try to sit together at the Business Session so that, if amendments are considered, there may be an exchange of points of view and a consensus arrived at before the city's vote is cast.

RECOMMENDED ACTION: That the City Council, by motion action, designate a Voting Delegate and a Voting Alternate for the League of California Cities Annual Conference which will be held in San Francisco October 6 - 9, 1985.

RE: DESIGNATION OF VOTING DELEGATE FOR LEAGUE ANNUAL CONFERENCE

Dear City Official:

The most important aspect of the Annual Conference is the General Business Session at which time the membership takes action on conference resolutions. It is especially important during these times of uncertainty for California cities to take the initiative in developing positive programs for the future. Annual Conference resolutions will guide cities and the League in our effort to improve the quality, responsiveness and vitality of local government within this state. All cities should be represented at the Business Session on Tuesday afternoon, October 8 at 3:30 p.m. in the San Francisco Hilton Hotel.

To expedite this important policy-making meeting, each City Council should designate a voting representative and an alternate who will be present at the Business Session. The League Constitution provides that each city is entitled to one vote in matters affecting municipal or League policy. A voting card will be given to the city official designated by the City Council on the enclosed "voting delegate form."

If the Mayor or a member of the City Council is in attendance at the Conference, it is expected that one of these officials will be designated as the voting delegate. However, if the City Council will not have a registered delegate at the Conference but will be represented by other city officials, one of these officials should be designated the voting delegate or alternate.

Please forward the enclosed "voting delegate form" to the Sacramento office of the League at the earliest possible time, so that the proper records may be established for the Conference. The voting delegate may pick up the city's voting card in the League Registration Area, San Francisco Hilton Hotel.

If it becomes necessary for the voting delegate and the designated alternate to leave the Conference, the card may be transferred to another official from the same city, providing the transfer has been cleared with the Credentials Committee, which will be responsible for distributing voting cards.

It is suggested that the Mayor and all Council Members from a given city try to sit together at the Business Session so that, if amendments are considered, there may be an exchange of points of view and a consensus arrived at before the city's vote is cast.

Your cooperation in returning the attached "voting delegate form" as soon as possible will be appreciated.
