CITY COUNCIL MEETING  
AUGUST 15, 1984

NO PARKING  
ZONES ESTAB-  
LISHED ON  
TURNER ROAD  
AT CHURCH  
STREET AND  
RIVERGATE  
DRIVE

Council was apprised that the street widening improve-  
ments on the north side of Turner Road will be installed  
prior to the end of this summer. It was the City's  
original intent not to provide for the left-turn pockets  
until that widening was accomplished.

However, because of the recent concern of the City  
Council, interim left-hand turn lanes were striped at  
this time. It was necessary to paint the curb red on the  
south side so that the turn pockets could be placed. The  
"No Parking" zones requested include red curb on the  
north side where the curb and gutter is not yet  
installed. The recommended "No Parking" zones will be  
sufficient to cover the modification of the existing  
left-turn pockets once the northerly widening takes  
place.

RES. NO.  
84-127

Following discussion with questions being directed to  
Staff. Council, on motion of council Member Reid,  
Hinchman second, adopted Resolution No. 84-127  
establishing "No Parking" zones on Turner Road east and  
west of Church Street and Rivergate Drive as shown on a  
diagram presented for Council's perusal.
