Dear Mayor Reid and Council Members:

Attached is a priority list pertaining to traffic signals in Lodi.

The Highway and Transportation Committee of the Lodi District Chamber of Commerce has studied these issues using the following criteria:

1. Potential hazard/safety
2. Rapid movement through intersections
3. City staff data

These recommendations have been approved by the Board of Directors of the Lodi District Chamber of Commerce.

We urge you to take these recommendations under consideration when you are reviewing the proposed expenditure plans for signals.

Sincerely,

Bob Gray
