ALICE M. REIMCHE  
CITY CLERK  
CITY OF LODI

Hon. Fred Reid, Mayor  
Members of Lodi City Council  
City Hall  
Lodi, CA. 95240

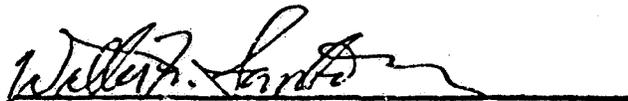

Dear Mayor Reid:

The members of the Central Lodi Improvement Committee would like to reiterate their request made of your Honorable body at the shirtsleeve meeting held on Tuesday, July 27, 1982, that the city proceed with the petition now on file with the City Clerk for the establishment of a Downtown Improvement District.

Specifically, we request that you set a public hearing to reconsider the action of the previous City Council which rejected that portion of the QUAD Consultants plan calling for one-way traffic on School St., and, assuming favorable action by the Council on this change, that you authorize the necessary engineering work so that this petition can be brought to a public hearing.

Respectfully Submitted:

Central Lodi Improvement Committee

Walter F. Sanborn, Chairman
