PETITION RECEIVED REGARDING TRAFFIC SPEED ON SOUTH SCHOOL STREET

CC-45(a)
CC-48(a)

Following receipt of a petition regarding traffic speed on South School Street and discussion, Council on motion of Council Member Hinchman, Snider second, referred the matter to staff for review and recommendation asking that the study be expanded to include other residential north/south streets connecting the Kettleman Lane Corridor.

The subject petition was presented to Council by Mr. Richard Mullen, 915 South School Street.

AFTER TALKING WITH CITY ENGINEER (PAULA) ABOUT THE SPEEDING PROBLEMS ON SCHOOL STREET, SHE SAID "THEY COULD NOT JUSTIFY CONTROLLING INTERSECTIONS ON SCHOOL STREET." TALKING WITH LODI POLICE MOTOR PATROL OFFICERS, THEIR FEELINGS IN GENERAL ARE THAT, CONTROLLED INTERSECTIONS WOULD HELP. SCHOOL STREET IS CLEARLY POSTED 25 MPH ON THE STREET AND SIGNS. WE ALSO HAVE MOTOR PATROL OFFICERS WRITING SPEEDING TICKETS TWO TO THREE DAYS A WEEK, BUT, THIS CLEARLY HAS NOT STOPPED THE SPEEDING! WE BELIEVE , WITH CONTROLLED INTERSECTIONS, TRAFFIC WOULD RE-ROUTE TO CHURCH STREET WITH IT'S HIGHER SPEED LIMIT AND INTERSECTIONS WITHOUT STOP SIGNS FROM KETTLEMAN TO TOKAY STREETS. AT PRESENT, SCHOOL STREET HAS OPEN INTERSECTIONS FROM KETTLEMAN TO TOKAY. PLEASANT STREET, ONE BLOCK WEST OF CHURCH STREET, HAS CONTROLLED INTERSECTIONS AND, HAS NO PROBLEM WITH SPEEDING, WE WOULD LIKE THE SAME AND RESPECTFULLY REQUEST THAT OUR PETITION IS ACTED ON. THANK YOU.

Mr. Richard Mullen
915 South School Street
Lodi, CA 95240

Dear Mr. Mullen:

This letter will confirm action taken by the Lodi City Council at its September 2, 1987 meeting whereby, following presentation of your petition regarding traffic speed on South School Street, Council directed the matter to Staff for review and recommendation asking that the study be expanded to include other residential north/south streets connecting to the Kettleman Lane corridor.

Should you have any questions regarding this matter, please do not hesitate to call this office.

Very truly yours,

Alice M. Reimche
